

The Yellow Book

It's like a phonebook.

There's no stronger bond than friendship.

Team Members

Tyler Angley [@constellationz](#) Project Manager

Hunter Smith [@hunt3r-s](#) HTML/CSS

Christian Lopez [@CLMMS](#) HTML/JavaScript

Khalil Oxborough [@koxborough](#) JavaScript & API

Sophia Deangelo [@SopaKitchen](#) API and database

What went well?

The good, the bad, and the ugly

Technologies Used

 Linode (Hosting)

 Marp (Presentation)

 PlantUML (UML diagrams)

 Postman (API iteration)

 GitHub   Git

 GoDaddy

 Discord

 Trello

 SwaggerHub

Gantt Chart

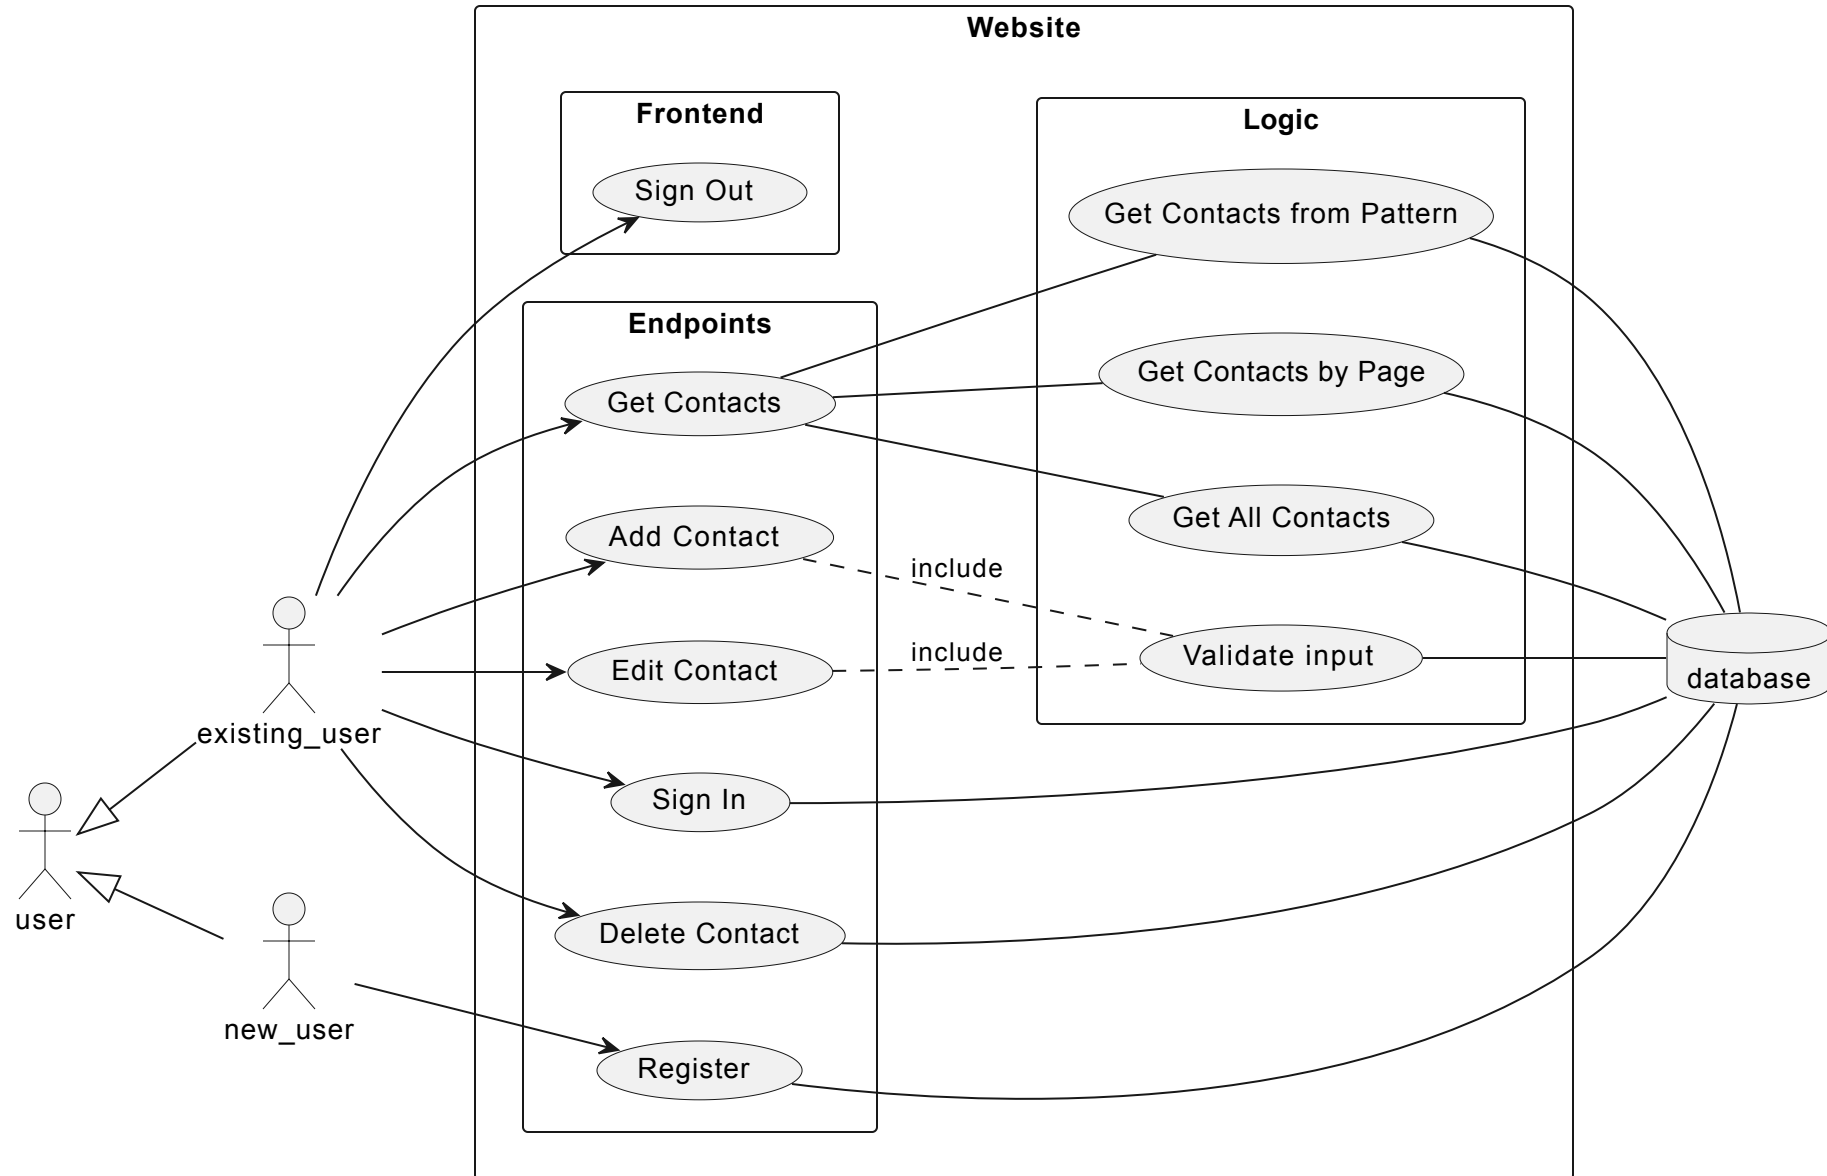

Entity Relationship Diagram

There are many contacts per user but there is only one user per contact
